

Antioch College Advising Degree Plan Individually Guided Major

**THIS IS A WORKING DOCUMENT FOR ADVISORS/MENTORS AND ADVISEES
AND SHOULD BE UPDATED WHENEVER CHANGES ARE MADE**

- 1) Complete the left margin information.
- 2) On the reverse side, list all completed and planned courses (transfer and Antioch) in chronological order in the left column, with course prefix, number, and title.
 - a) Determine which courses will be used to satisfy general education requirements. Enter the number of credits earned in the appropriate column. 4 credits each are required in Arts, Humanities, Social Sciences, Sciences, and PE, plus 8 credits in Place as Text, to be completed over two co-ops
 - b) Students must complete an Individually Guided Major (IGM) of at least 44 credits in cooperation with two faculty. At least 32 of the 44 credits must be earned within the 3rd and 4th years, including 8 credits of Senior Seminar and Senior Project (see *Guidelines for the IGM*).
 - c) Enter the number of credits earned in the appropriate columns. **You may have one course overlap from general education to your major** (only to be counted once towards the total). The BS Major column is to be used for Bachelor of Science candidates only.
 - d) Indicate how you will meet the cross-cultural requirement (at bottom of page). Either the academic or co-op advisor may provide this certification.
 - e) Complete the 2-3 page Statement of Purpose essay and attach to Degree Plan (see *Guidelines for the IGM*).
 - f) Identify how you will satisfy the writing and quantitative requirements (at bottom of page).
 - g) Total the credits at the bottom of each section (112 credits are required to graduate).
- 3) Below, list 3 required co-ops in chronological order. Place an asterisk (*) next to the major-related co-op(s).
